List of Periodicals Regularly Searched

The periodicals listed below are regularly searched by CHILD DEVELOPMENT ABSTRACTS & BIBLIOGRAPHY. Except for those identified by an asterisk, all are received in the Editorial Office. If there is no abstracter named, the journal is abstracted by the Editor or is presently unassigned. Coverage of the literature is significantly extended by exchange agreements with other journals of abstracts: Bulletin Signaletique, Digest of Neurology & Psychiatry, DSH Abstracts, Indian Education Abstracts, Nutrition Abstracts & Reviews, Psychological Abstracts, Rehabilitation Literature.

A Crianca Portuguesa.
Acta Biotheoretica. (S. G. Vandenberg)
Acta Paedopsychiatrica. (J. D. Teicher)
